Good delivery time.By Jose GonzalezThere's nothing to dislike about the product. It was in good shape. I took a star out because it came with some kind of glue damage in the back. But it really can be catalogued as damage. It probably happened during box time or something. All of them pages are there and it was delivered right on time.1 of 1 people found the following review helpful. Best Book Rental ServiceBy MarioIt was in very good conditions and I was very happy with the shipment. Great experience overall, plus you get to save a lot on books if you just want to rent them. Straightforward information on how to return the book.

The Compact Bedford Introduction to Literature is a best-seller for a reason: it brings literature to life for students mdash; helping to make them lifelong readers and better writers. Classic works from many periods and cultures exist alongside a diverse representation of today's authors. Support for students includes a dozen chapters of critical reading and writing, with plenty of sample close readings, writing assignments, and student papers. And, because everyone teaches a little differently, there are lots of options for working with the literature, including in-depth chapters on major authors and case studies on individual works and themes that everyone can relate to. New to this edition are casebooks on short fiction and the natural world and a chapter created with Billy Collins.

About the AuthorMICHAEL MEYER (Ph.D., University of Connecticut) has taught writing and literature courses for more than 30 years -- since 1981 at the University of Connecticut and before that at the University of North Carolina at Charlotte and the College of William and Mary. His scholarly articles have appeared in distinguished journals such as American Literature, Studies in the American Renaissance, and Virginia Quarterly . An internationally recognized authority on Henry David Thoreau, Meyer is a former president of the Thoreau Society and coauthor (with Walter Harding) of The New Thoreau Handbook, a standard reference source. His other books for Bedford/St. Martin's include Literature to Go (2011); The Bedford Introduction to Literature (2011); Poetry: An Introduction (2010); and

Thinking and Writing about Literature (2001).
